Zoo Field Trip

Students need to bring a sack lunch and water bottle for the field trip. Students that requested a sack lunch on the field trip permission slip will get their lunch on the morning of the field trip. Remind them to also pack a jacket. Students can bring money to spend but they are responsible for keeping it with them.

Please let me know if you are signed up as a chaperone and your plans change so I can prepare appropriately.

Academics

ELA: Unit on Wolves (non-fiction)

Writing: Introduction and Conclusion sentences in a paragraph

Math: area

Wish List

- Large bag of Skittles or M&M's

Science

We learned how the world use to be different. Some areas were different because some land had water. Some fossils were found in dry land like starfish, turtles, and fish. Land animals have also been found in the ocean.
